The Consolidated Appropriations Act, enacted on December 27, 2020, amended MHPAEA, in part, by expressly requiring group health plans to perform and document a comparative analysis of the design and application of any non-quantitative treatment limitations (NQTLs) that apply to medical/surgical and mental health and substance use disorder benefits. For additional substantive information about this ICR, see the related notice published in the *Federal Register* on April 22, 2021 (86 FR 21349).

In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. *See* 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal.
